Summary of reasons for decision:

15-11-2007 (2).jpg is a large colour photographic image in portrait layout depicting a youth performing fellatio on another male. He appears to be on his knees, and his head shoulders and chest are visible. His face is smooth and very youthful looking, and he presents as a youth in his early to mid teens. The other male is wearing a black t-shirt and is sitting on the edge of a chair or sofa with one hand resting on the back of the youth's head.

The publication tends to promote or support the exploitation of young persons for sexual purposes and is therefore deemed to be objectionable in terms of s 3(2) of the Act. Alternatively, the publication is objectionable as meeting the test in s 3(1) of the Act.
